

ATTENTION FIRST-YEAR STUDENTS of academic year 2022/23

(concerning students of undergraduate studies, graduate studies, five-year graduate studies and doctoral studies)

Training on health and safety and fire protection available only as an e-learning course

Ladies and Gentlemen,

It is the responsibility of each student commencing studies at the University of Wrocław to participate in training on health and safety and fire protection. The course is mandatory and ends with a test. Training is considered to be completed on the basis of minutes of the training.

The training in the field of occupational health and safety and fire protection lasts from **1 October to 30 November 2022**.

The training material and the test, the passing of which is a condition for completing the training, will be on the University E-EDU distance learning platform, run by the Distance Learning Center at the University of Wrocław.

Login instruction for initial health and safety training for students and PhD students

Registration and course of training:

1. Go to the platform: <https://e-edu.cko.uni.wroc.pl/course/view.php?id=204704>
2. Sign up for the course using the access key: **BHP-22**
3. Familiarize yourself with the modules of the course and complete the test. The materials should be viewed from the "Introduction to training" module according to the order of the course. Pay attention to the completion symbols on the right side of the modules.
4. Check your grade after completing the test!
